Alex:

Yes, your understanding is correct. The Commission will not be able to continue the hearing on that Friday.

Thanks,

David Butler

David:

It had been my understanding that if more than one day were required for the hearing, that the hearing had been scheduled to continue on Friday, October 29th. Based on your email below, am I understanding correctly that if the hearing requires a second day, there will be no hearing on Friday, October 29th, and that the second day of the hearing would take place on Tuesday, November 2nd? Want to confirm I am understanding correctly as ORS checks on availability.

Thank you,
 Alex

Subject: Hearings on DN 2021-143-E and 2021-144-E

To the Parties:

I am writing for two purposes. First, I wanted to inform the parties that the Commission is likely to run the hearing late on Thursday, October 28, to a time that is at this point undetermined. In other words, it is unlikely that the Commission will stop at 5 pm.

Second, should the Commission end up needing a second day for the hearing on these Dockets, we are looking at Tuesday, November 2, 2021 as the second day. I would ask that the parties respond as soon as possible as to your availability on November 2 to complete the hearing.

Thanks in advance for your consideration.

Regards,

David Butler
